Chamber of Commerce's top trophy for *Leadership and Entrepreneurship, Sales Growth, Productivity and Quality Improvements, Product Innovation and Technology* awarded to Omega Lift

BOLTON, Ontario, Canada, March 2010

Omega Lift has been granted the Caledon Chamber of Commerce's top award—**2009 Business of the Year**.

Each year at their annual Business Achievement Awards gala the Caledon Chamber of Commerce recognizes "a local area business that has demonstrated a continued passion for excellence and promoted the advancement of responsible business leadership and harmony within our community."

Believing that Omega Lift fit the award's criteria which states that the recipient has demonstrated *Leadership and Entrepreneurship, Sales Growth, Productivity and Quality Improvements, Product Innovation and Technology* the Caledon Chamber awarded the prestigious award to Omega Lift.

The event, attended by area business leaders, was abuzz with the prospect of who the potential recipient would be, and attendees were quick to offer their congratulations to Omega Lift.

Greg Pannia, Omega Lift's Chief Operations Officer, said, "Being awarded the **2009 Business of the Year Award** from the Caledon Chamber of Commerce is an honour and we view it a validation of the diligent hard work of our entire staff."

[Because of the economy], 2009 wasn't the easiest in our company's history, but we were able to make some in-house adjustments while continuing to grow globally while keeping our eye on our ultimate goals of industry leadership, product improvements and technological innovation. We are extremely happy to have received this award, and are committed to proving ourselves into the future."

Nick Acocella, International Sales Representative, adds, "We are very proud to have been awarded the Chamber's Business of the Year Award. It is very gratifying to have our community recognize our hard work."
